

A photograph of a beach at sunset or sunrise. The sky is bright and hazy, with the sun low on the horizon. The ocean waves are breaking on the shore, creating white foam. The sand is a warm, golden-brown color. A series of footprints are visible in the sand, leading from the water towards the foreground. The text is overlaid on the image.

# *Affirmation for January 2013*

*God guides and guards every step I take. Even as I think my word the law is in action. My belief and faith are truly in "It is done unto me as I believe!" Today I release the old in order to provide a birthplace for new ideas and expressions of life.*

*Because of this, my divine nature (who I am) is on display and I truly give thanks.*

*AND SO IT IS.*

*Dr. Robbie Gholson Smith*
