

Affirmation for September 2012

Today I awaken from my sleep and like Jesus will forever be in intimate and constant communication with God. Life was never meant to be a struggle. I will move through each day smoothly, understanding the strength of the still quiet mind. My thoughts are my luggage and I will travel as light as a feather. God is All there is.
And So It Is.

-Dr. Robbie Gholson Smith, September 2003
